Freelance	Creative Musician	Remote
September 2016 - Current		
As a freelance musician, I bring a diverse skill set to every project. As a bassist, I excel in live performances, ensuring rhythmic foundation and musical cohesion across various genres. My expertise as an Ableton programmer allows me to create and manage live backing tracks, integrating synchronised visual projections for immersive shows. Additionally, I have experience as a graphic designer, crafting visually engaging event posters and releasing artwork. As a video director, I translate musical narratives into compelling visual stories, leveraging AI software to enhance creative expression.		

PROJECTS

Caswell	Bassist, Ableton Programmer, Designer & Video Director	Suffolk/London
